WAIVER

For those students who have comparable coverage and do not wish to enroll in the health insurance plan, there is an option to waive. The online waiver form can be filled out at: https://students.aetnastudenthealth.com/welcome.aspx?groupid=812801 and must be filed by September 2, 2013. The following requirements must be met in order to waive the plan:

- My plan provides coverage anywhere in the US and Emergency coverage internationally. (Note: out of state HMO’s do not meet this criteria)
- My plan has an annual deductible less than $5,000 (individual) / $10,000 (family).
- My plan offers at least $1,000,000 Maximum Benefit per Policy Year per Condition.
- I acknowledge that my coverage will remain in force for the 2013-2014 Academic Year. If I involuntarily lose coverage prior to the end of the academic calendar year, I will contact the Student Health Insurance Coordinator at (812) 856-4650 within 30 days of loss of coverage to apply for enrollment in Indiana University’s Postdoctoral Fellows and Professional Students Plan.

Students who have questions about the requirements for waiving coverage should contact the Student Health Insurance Coordinator at studenhc@iu.edu. Please note that once your waiver is filed and accepted, you will not be able to return to the Postdoctoral Fellows and Professional Students Plan without a qualified change in status. If you lose alternative coverage due to a qualifying event, you must enroll in the Postdoctoral Fellows and Professional Students Plan within 30 days of losing coverage.

There is dependent coverage available for a spouse, same sex partner, or dependent children. The dependent enrollment deadline is September 2, 2013. Online enrollment and
information on the premiums are available online at:
